

50 Deaths Are Blamed on Bitter Cold

By THE ASSOCIATED PRESS

Winter's longest and most widespread siege of cold weather, which has caused heavy damage to crops and property and was blamed for more than 50 deaths persisted today in many parts of the nation.

The Midwest, hit by sub-zero blasts for several days, got a fresh mass of arctic air. Temperatures plunged to near 40 degrees below zero in northern Wisconsin and were 20 below and lower in much of Wisconsin and Minnesota.

The sub-zero belt covered areas in at least 11 states, from eastern Montana to northern sections of Illinois and Indiana and lower Michigan.

Reading in much of the country remained below normal. Some relief from the unseasonable cold was reported from southwestern Texas westward through all of California and much of the intermountain regions. Southern Florida was out of the cold air pocket.

The new surge of icy air which spread southeastward from Canada into the Midwest headed eastward into the Ohio Valley and the lower Great Lakes region. Colder weather was indicated eastward into western New York and western Pennsylvania.

The core of the cold air was in the northern Midwest, the lowest readings in Minnesota and Wisconsin. Below-zero marks also were reported in eastern Montana, the Dakotas, Iowa, northern Missouri, and sections of Nebraska, Missouri, Illinois and Indiana.

Gusty northerly winds intensified the cold in the Midwest. Temperatures in some northern Minnesota areas failed to climb above 15 below Monday. It was -27 in International Falls, Minn., this morning, but it was colder in Wisconsin, with -28 in Lone Rock.

Minneapolis had record low marks both Monday and Tuesday. The -24 reading Monday night topped the old mark of -22 set on Jan. 14, 1893. The Mercury, dropped to -26 early today for a record for Jan. 15, has been sub-zero since Sunday afternoon. It also was -26 in Rochester, Minn. No immediate relief was indicated.

Chicago had its coldest day of the season with -11 but it was -19 and lower in some suburban areas. It was -16 in Milwaukee.

Readings ranged from 11 above in Asheville, N.C., to 38 in Tallahassee, Fla., and 66 in Miami.

The cold weather in Southern California and in the Rio Grande Valley in Texas over the weekend caused millions of dollars damage to vegetable and citrus crops.

The snowstorm which hit Buffalo, N.Y., Monday dumped 19 inches of snow on the ground, with intermittent flares expected today. Heavy snow also hit northern New York, east of Lake Ontario, while snow fell in scattered sections in other parts of the state.

Experiment Station report for 24 hours ending at 8 a.m. Tuesday, High 39, Low 10.

Arkansas Regional Forecast
By THE ASSOCIATED PRESS
Central Arkansas: Mostly clear with slowly rising temperatures this afternoon, tonight and Wednesday. High this afternoon in the upper 30s to the mid 40s. Low tonight in the teens. High Wednesday in the 40s. Partly cloudy with slowly moderating temperatures Thursday.

Northeast and Northwest Arkansas: Fair with slowly moderating temperatures through Wednesday. High this afternoon 35 to 42. Low tonight 10 to 18. High Wednesday 40 to 48. A little warmer Thursday.

Southeast and Southwest Arkansas: Fair with slowly moderating temperatures through Wednesday. High this afternoon 37 to 45. Low tonight 15 to 20. High Wednesday in the upper 40s. A little warmer Thursday.

ARKANSAS — Clear to partly cloudy through Wednesday; high today 20-30 northwest, 30-40 southeast; low tonight 4 to 12 above zero north, 12-20 south.

ARKANSAS — Fair with slowly moderating temperatures this afternoon through Wednesday. Low tonight 10 to 15 north and 15 to 20 south. High Wednesday mostly

State to Buy 47 Vehicles

LITTLE ROCK (AP)—Bids will be opened Thursday by the state Purchasing Department on 47 cars and light trucks, and Plymouths apparently are out of the running.

Specifications call for a minimum 119-inch wheelbase. Plymouths have a 116-inch wheelbase.

Mack Sturgis, state Purchasing Agent, said he had not written Plymouths or any standard size car out of the specifications. He said no bidder meeting the specifications will be excluded.

Nine state agencies will trade in 1962 or older models as part of the purchase price. The agencies include Arkansas State College, State Teachers College, Southern State College, the University of Arkansas, the Forestry Commission, the Education Department, the Publicity and Parks Commission, Welfare Department and Employees Retirement System agency.

Tshombe Has Completely Capitulated

By ROBIN P. MANNOCK

LEOPOLDVILLE, the Congo (AP)—Katanga President Moise Tshombe capitulated today. He said he is ready to end Katanga's secession, cooperate loyally with the United Nations and let U.N. troops rove where they will throughout the province.

From his war capital in Kolwezi, Tshombe appealed to Premier Cyrille Adoula's central Congo government for amnesty for himself and all his followers in their 30 months of independence.

Bitterness of the long fight, however, was reflected in a riot of Congolese youths against the British Embassy in Leopoldville. About 1,000 Africans, with a core of 200 university students, sacked the embassy in protest against alleged British support for Tshombe and Katanga's secession. They smashed windows. Flies were stripped and hurled into the street.

Robert K. A. Gardiner of Ghana, chief of U.N. operations in the Congo, intervened personally to stop it, when Congolese police failed to take a hand. British Ambassador Derek Riches protested strongly to the Congolese Foreign Ministry. Riches said some members of his staff were injured.

Tshombe's declaration was relayed by the South African Press Association and Rene Thierry, a Belgian radio correspondent.

"We are ready to declare to the world that the Katanga secession is over," Tshombe said. "We are prepared to give the United Nations troops freedom of movement throughout Katanga."

Tshombe said he is prepared to return to Elisabethville "to settle the modalities of the application" of U.N. Secretary-General U Thant's plan for Congo unification. Modalities means methods for the discharge of an obligation.

"It is our request," the statement continued, "that the president of the Congo Republic and the prime minister should, when this statement is issued, put into force the amnesty provided for in the U Thant plan in order to guarantee the security and liberty of

Officer Can't Pick Up Driver's License

LITTLE ROCK (AP) — The attorney general's office ruled Monday that an arresting officer lacks the authority to pick up a driver's license of a motorist who has been ticketed for a traffic violation.

Percy A. Wright, Blytheville City Attorney, requested the opinion, which was written by Russell J. Woods, assistant attorney general.

Wright said he was impressed by speakers at a traffic seminar at Little Rock last fall. The speakers explained how officers in their areas could pick up the license in lieu of bond for his appearance before traffic court.

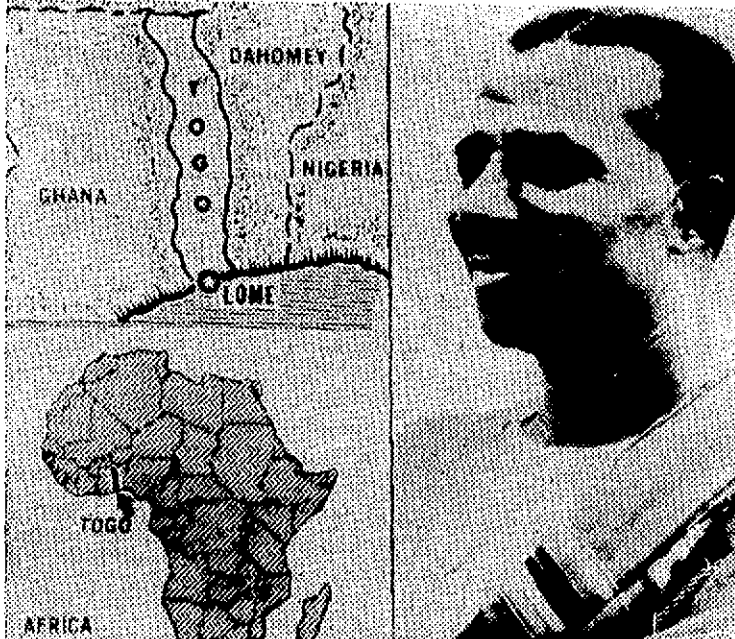

In another opinion, assistant attorney general Dennis Horton ruled that only school districts from which lands have been taken for wildlife refuges should benefit from money paid in lieu of taxes.

C. C. Stuart, Desha County school supervisor, asked the ruling. He said a problem of apportionment existed in the county, where the White River Wildlife Refuge is located.

The Interior Department sent the county a check for \$9,996.23, he said, and the question was whether all of the districts were to share half the funds on a per capita basis.

LIBERALS ASSIGNED — Rep. Wilbur Mills (D-Ark.), center, chairman of the House Ways and Means Committee, congratulates two liberal Democrats, Rep. W. Pat Jennings of Virginia, left, and Rep. Ross Bass of Tennessee after they were assigned to the committee.

SLAIN — The small West African republic of Togo was reported controlled by military insurgents who assassinated pro-Western President Sylvanus Olympio during a lightning revolt. Reports from Lome, the capital of Togo, newspaper left, said Olympio hid in the garden of the U.S. embassy and was shot three times as he tried to take refuge in the building.

Fertility Is Key to Farming

Whether you are a beef cattle producer, a dairyman, a truck farmer or row crop farmer soil fertility is the key to your farming operation. Calvin Caldwell, county agent, says that farming is becoming more technical and competitive each day. To help keep farmers up to date a "Soil Fertility Workshop" has been planned for farmers of this county.

The workshop will consist of five discussion periods. The subjects for discussion will be as follows: (1) know your soil (2) nitrogen (3) phosphorus (4) potash and (5) lime. There will possibly be a sixth period which would be a dinner meeting with an outside speaker. Each session would last for one and one-half to two hours. At the present time plans are to hold two sessions each week at night. The workshop will get underway in early February, the county agent said.

In order to determine the number will attend the workshop and to arrange for a meeting place please contact the Extension office by Monday, January 21.

Police Academy to Be Suggested

LITTLE ROCK (AP) — A proposed sheriff's and police academy for Arkansas was expected to come up today as the Arkansas Sheriff's Association opened its annual meeting in Little Rock.

An informal caucus will be held today to make committee appointments and hear resolutions.

The proposed academy is expected to be discussed during the executive session Wednesday. Sheriff Robert S. Moore of Desha County, past president of the association, is expected to address the group Wednesday.

The meeting is scheduled to last through Thursday.

Southside Baptist Revival Meet
A revival meeting is now in progress at the Southside Baptist Church, on Highway 29, with services each night starting at 7 o'clock. The Rev. Arlis Downis is doing the preaching. The Rev. Norman Grant is pastor.

Town Hall Meets Set by Chamber

The annual Chamber of Commerce meeting will be held Thursday, Jan. 31st at 7:30 p.m. at the Hope City Hall auditorium. There will be not a banquet this year. Instead the chamber will conduct a "Town Hall" type meeting in which the chamber will report to the people, hear remarks from members of the A.I.D. on industrial prospects, and plans for the area in 1963.

The last portion of the meeting will be devoted to a question period with local citizens invited to direct questions to the president and secretary of the Chamber of Commerce and A.I.D.C. members.

This will be an opportunity for any interested person to learn more about the chamber activities and offer suggestions as to its operation. Upon entering the auditorium you will be handed a question form permitting you to write your questions and hand it in to the moderator.

It is hoped, that local people will manifest enough interest in the future of their city to turn out in large numbers. In addition to 6 people from the A.I.D., there will also be representatives of the railroads and utilities that serve the Hope area and delegates from seven southwest Arkansas counties. Chamber President Haskell Jones urged women and young adults to attend as well as business leaders since we all have a stake in our town's future. Remember the chamber slogan, "It's up to me in '63". Take part in your chamber's activities and watch Hope improve.

Local School Board Names New Officers

At a regular meeting last night the Hope District I-A school board named Dr. Jud Martindale its new president. Other officers are William Routen, vice-president and J. W. Franks, secretary.

Other board members include Mrs. Frank King, Sam McGill, Dr. Forney Holt and George Frazier.

Cold Air Is Sweeping Out of Canada

By THE ASSOCIATED PRESS

Cold air sweeping out of Canada today apparently means winter has no intention of losing its icy grip on Arkansas.

The Weather Bureau said the cold air mass should cover the state by tonight, but that enough should be in the state by this afternoon to keep high temperatures around 20 to 30 in the northwest and 30 to 40 in the southeast. Low temperatures tonight were expected to range from a chilling 4 to 12 degrees north to 12 to 20 south.

Skies were clear over the state early today, but were expected to become partly cloudy later.

Overnight lows today included 7 at Batesville, 9 at Fayetteville, 11 at Arkadelphia, Camden and El Dorado and 12 at Fort Smith, Harrison and Little Rock. They ranged as high as 18 at Walnut Ridge and Texarkana and 19 at Newport.

No precipitation was reported during the 24-hour period ending at 6 a.m.

Impersonator Given Death

HOUSTON, Tex. (AP) — The mother of female impersonator Leslie Douglas Ashley heard her son and Carolyn Ann Lima sentenced to die Monday, then screamed at Prosecutor Frank Briscoe:

"Frank Briscoe, you are a blood-thirsty killer, and God in heaven will punish you for what you have done."

Briscoe sat silent as the woman, Mrs. Sylvia Ayers, was escorted from the courtroom, weeping and struggling.

Ashley, 24, and his 20-year-old companion were sentenced by Dist. Judge Miron A. Love to die in the electric chair Feb. 28. Texas has never executed a woman.

They were convicted eight months ago of the murder of Fred A. Tones, a Houston real estate man, slain and robbed Feb. 6, 1961.

Ashley is a native of Hot Springs, Ark.

All Around Town

By The Star Staff

Hanford Long, 22, native of McCaskill and lifelong resident of Hempstead County, has joined the Hope Police Department. It was announced today by Chief Jack Brown. Mr. and Mrs. Long have one child and live here in Hope.

At Ouachita Baptist College seven seniors and 24 juniors qualified for the Alpha Chi honorary scholastic fraternity by having a 3.2 over all grade average. The group included the following Hope students: Sue Ann Smith, Patsy Burroughs and Cary Joy Case.

James Carl Gilbert of Hope, Ark. has enrolled as a first quarter student at the University of Tennessee College of Denistry in Memphis, Tenn.

The Arkansas Game and Fish Commission estimates over 25,000 deer were killed in the full 17 days of hunting during the three periods. Over 19,000 were killed during the first six-period in November. And during 1962 G&F trappers got 617 wolves and 200 bobcats.

Faubus Proposes a Plan to Let Counties, Cities Raise Taxes

Congress May Go Along for Cut in Taxes

By JACK BELL

WASHINGTON (AP)—Congress registered unmistakable signs today it intends to accept President Kennedy's invitation to cut taxes this year.

But members awaited more concrete details than the President provided in Monday's State of the Union message before committing themselves to his three-year program to lower taxes by \$13.5 billion and recoup \$3.5 billion by revenue law reforms.

He is expected to send a special message on taxes to Congress, possibly as early as Jan. 4.

Almost every member of the House and Senate favored reducing taxes. Although a solid segment demanded reductions in spending, too, few appeared to believe they would be forthcoming.

Another group said Kennedy proposed too big a break for individuals, who would share a \$11 billion of the reductions, whereas business would get only \$2.5 billion.

A storm seemed certain to break when the administration spells out its proposed loophole-closing provisions.

Some sources expect him to ask for the lowering of family income tax deductions for medical expenses, deductions for state and local sales taxes, interest on mortgage payments and joint returns filed by married couples.

Some members of Congress have heard that among other things, Kennedy may ask for a thorough overhauling of depletion allowances which affect 100 products.

The oil industry would be certain to throw its powerful weight against a proposal to limit drastically its 27 1/2 per cent depletion allowance.

The President's submission of a budget of around \$99 billion on Thursday will whet the controversy over whether it is wise to vote tax cuts—with no comparable spending reductions—in prospect.

Kennedy said his program of tax reductions and reforms was aimed at producing ultimately "a balanced budget in a balanced full employment economy." Sen. Harry F. Byrd, D-Va., said instead the country may be looking down the throat of a three-year deficit of about \$30 billion.

In his 43-minute speech to the House and Senate, Kennedy put so much emphasis on his tax program that other matters were relatively obscured.

Congressional liberals muttered the Democrats mostly to themselves and the Republicans pub-

River Work Booms Oklahoma Business

POTEAU, Okla. (AP) — The work of Army Engineers at making the Arkansas River navigable is creating an annexation boom in LeFlore County, which adjoins Arkansas near Fort Smith.

Communities are swelling in size and population in an effort to protect water rights along the Arkansas and Poteau rivers and to revitalize development on the waterways.

Poteau, the county seat, started the annexation trend last month by taking in more than 34,000 acres, including the ranch home of the late Sen. Robert S. Kerr, D-Okla. Most of the land was along the Poteau River, a tributary of the Arkansas.

Cowlington, with a population of 83 in the 1960 census, is the latest to take up annexation plans. The expansion calls for an addition of 20,000 acres along the Arkansas River, which would boost the city's population to about 400 or 500.

Other annexation plans are in the works at Spiro, Bokoshe, Pocola and Arkoma.

Army Engineers are studying a proposal to extend navigation up the Poteau River.

U.S. Places 16 Witnesses on Stand

EL DORADO, Ark. (AP)—The federal government put 16 witnesses on the stand in U.S. District court here Monday in an attempt to prove that eight persons connected with Villa Mobile Homes Co. of Camden attempted to conceal assets of the firm.

The eight are charged with conspiring to conceal assets and falsifying records to evade U.S. bankruptcy statutes.

Billy B. Dorris of Camden and Thomas R. Mays of Oklahoma City, Okla., testified Monday that they hauled numerous house trailers to points in Alabama and Mississippi shortly before the government began bankruptcy proceedings against the company.

Dorris and Mays, truck drivers, said they received their orders from William Robert Grubbs, who then was sales manager for Villa. They said they would take trailers to truck stops, leave them, and return later and haul them to other truck stops.

The government now has called a total of 35 witnesses. U.S. Atty. Charles Conway of Fort Smith has said more than 100 witnesses will be put on the stand for the government.

O. B. Blalock Jr., one of four Federal Bureau of Investigation agents to testify Monday, said he was told by Grubbs that 10 trailers were involved in the moving.

William Shelton of Memphis, former manager of the Camden Chamber of Commerce, testified that Lawrence M. Blalock, Villa owner, told him in January 1961 that rumors regarding the financial state of the firm was hurting business.

Lawrence Blalock showed him a set of balance sheets that indicated the company earned \$141,000 more in 1961 than in 1960, he testified.

Shelton said several weeks later Lawrence Blalock told him he had sold the firm to Max Smith, Robert H. Close and "a preacher" for \$250,000. Shelton said he was told by Close that Blalock would get \$100,000.

Says Auditorium Desegregated Some

LITTLE ROCK (AP) — Little Rock City Manager Ancil Douthit said Monday, in answer to a desegregation suit, that the city auditorium and recreational facilities occasionally were segregated.

In his response to the suit filed last year by 22 Negro residents, Douthit said that the auditorium occasionally was required that white and Negro patrons be seated separately.

Also, he said golf courses, tennis courts and certain parks and playgrounds have been on certain occasions restricted to the use of white or Negro persons only.

Suggests Truck Weight Raise to Legislature

By JOHN R. STARR

LITTLE ROCK (AP) — Gov. Orval E. Faubus proposed a new constitutional amendment for city and county taxes and endorsed a proposal of increase truck weight limits as he presented a modest legislative program to the 64th General Assembly today.

In the prepared text of his fifth term inaugural address, the governor came up with few surprises. The first half of the address was devoted to a review of his eight years in office. When he turned to new programs, he touched on little that had not been covered in pre-session speculation.

The tax amendment was not expected, however. The last two legislatures have presented various proposals for this purpose and voters have beaten them soundly.

Faubus said he would ask that the ad valorem tax limit be increased to 10 mills. It now is five mills in the case of cities and eight mills, including a 3-mill road tax, for the counties.

Faubus said this amendment would remove a requirement that the road tax be voted on every two years.

On the truck weights, the governor said Arkansas limits were 8,000 pounds, under those of all surrounding states except Missouri and 4,000 pounds under Missouri's.

The governor said any increase in truck weights should be accompanied by an increase in license fees for the trucks, whose owners would benefit.

Faubus suggested that the legislature might want to restrict the heavier trucks to interstate and primary highway systems.

Most of the governor's proposals were of a housekeeping nature.

He called for passage of a workable law to implement a new constitutional amendment authorizing use of voting machines.

He said he would submit legislation to consolidate the Water Compact Commission, the Water Conservation Commission and the Soil Conservation Division of the Geology Commission into a new agency to be known as the Water and Soil Commission.

He said he would suggest that the planning division of the Geology Commission be abolished.

Newton Lawmaker Is Taken Ill

LITTLE ROCK (AP) — Rep. W. D. Baker, 62, of Newton County, became ill today and was taken to a hospital as the Arkansas House waited for Gov. Orval E. Faubus' inaugural address.

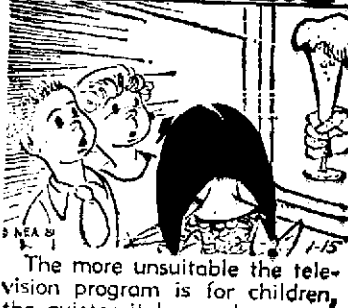

Baker, a retired businessman, suffered a heart attack during the 1961 session.

Other representatives administered first aid to Baker while waiting for an ambulance. He lay on the floor of the House with his feet propped up on a chair.

Many of the several hundred persons in the House chamber did not even know he was ill.

Two Shoplifters Jailed Here

Two Rosston Negro women were jailed here last weekend on charges of shoplifting. Police Chief Jack Brown listed the pair as Marie Muldrow, 42, and Marion Yvonne Guley, 20. He said failed to pay for some 47 items picked up in a grocery store. The items ranged from meat to pills, Mr. Brown said.

LITTLE LIZ
The more unsuitable the television program is for children, the quieter it keeps them.

All grade school P.T.A. study groups will meet in the home of Mrs. Pod Rogers Wednesday at 10:00 a.m. The subject for discussion will be Parents and the Veto Power.

Thursday, January 17
Hopa Chapter 328 order of Eastern Star will hold its regular meeting Thursday night at 7:30 in the Masonic Hall.

Mrs. Ona Wilson, Deputy Lecturer, will be here to give instructions to the Chapter. All members are urged to attend.

Rocky Mound Home Demonstration Club will meet with Mrs. N. O. Taylor, Thursday, January 17 at 2 p.m. Please be present.

The Daffodil Garden Club will meet Thursday, January 17 at 1:30 p.m. in the home of Mrs. Homer Jones with Mrs. George Frazier, co-hostess. Members are reminded to bring their dues.

Cook-Cotter Vows Are Exchanged
Mr. and Mrs. William Wallace Cook of Little Rock, formerly of Hope, announce the engagement of their daughter, Gail, to Thomas Hamilton Colter, son of Mrs. Helen Colter and Robert Hamilton Colter of El Segundo, Calif. The bride-elect received her B.

A. degree from the University of Arkansas, where she was a member Delta Delta Delta Sorority. She is a member of the staff at San Maria (Calif.) High School. Mr. Colter is a senior at California State Polytechnic College in San Luis Obispo.

The wedding will take place February 2 in the First Episcopal Church in San Maria.

Bridge Club Meets
The two club guests won the two high score prizes, Friday, January 11 at a local bridge club meeting in the home of Mrs. R. E. Cooper. Those guests were Mrs. Tom Wardlaw and Mrs. De-wey Camp.

Philodendron and pot plants were used as decoration for the gathering. A salad plate was served with coffee or cold drinks.

Lewallen-McClung Rites Are Read
In a lovely candlelight ceremony Friday evening, December 28, 1962, at the Second Baptist Church of Hot Springs, Miss Linda Kay Lewallen pledged her troth to Robert Alan McClung. She is the daughter of Mr. and Mrs. Emmet Joseph Lewallen of Hot Springs, formerly of Hope, and he is the son of Mr. and Mrs. Ray Wilson McClung of Denver, formerly of Hot Springs.

The pastor, the Rev. Walter Yeldell, read the double-ring ceremony. Traditional nuptial music was provided by the organist, Mrs. Mamie Ruth Abernathy, and vocal soloist, Frankie Francis, who sang "Because" before the ceremony and "The Lord's Prayer" as the couple knelt at the prie dieu.

The bride descended the aisle with her father, who gave her in marriage. She wore a dress of silk peau de soie featuring an Empire waistline and molded bodice. Lace appliques enhanced the neckline and sleeves. Her voluminous skirt was floor-length. Her veil of French illusion fell from a cluster of orange blossoms, seed pearls and sequins. She carried a bouquet of gardenias and fleur d'amour.

Before a background greenery and burning white tapers, vows were exchanged.

Mrs. John Carter, sister of the bride, was matron of honor, and Miss Sandra Rutherford was maid of honor. Bridesmaids were Miss Jerrie Ann McAdoo, Miss Martha Reynolds, and Miss Brenda Young. They wore identical dresses of green peau de soie designed with scooped necklines, molded bodices, long sleeves, and bell-shaped skirts. They carried white fur muffs accented with a green bow and matching veils.

Dayna and Denise Carter, nieces of the bride, were flower girls. They wore Kelly green velvet frocks and carried white fur baskets.

The bridegroom chose his brother, Lt. Lynn Ray McClung, as his best man. Groomsmen were Bert Creasey, Tony Wetherington, Barry Speigner, and Charles Jackson. Ring-bearer was Jeff Williams.

Mrs. Lewallen selected for her daughter's wedding a sheer beige wool dress with matching jacket and brocade blouse. She pinned a yellow orchid at her shoulder. Mrs. McClung, the bridegroom's mother, was attired in a blue crepe dress with matching accessories and pinned a white orchid at her shoulder.

Immediately following the ceremony, Mr. and Mrs. Lewallen were hosts at a reception in Fellowship Hall of the church. The tables were draped with white cloths and overlaid with net. Silver and crystal appointments were used. The multi-tiered wedding cake was served with fruit punch, mints, and nuts.

For her wedding trip to Dallas, the bride wore a green wool suit, a leopard hat, beige gloves, and other accessories of lizard. She pinned flowers from her wedding bouquet at her shoulder.

Upon their return from Dallas, the couple will reside at 705 Oak Street in Hot Springs.

The bride received her B. S. degree in Education from Ouachita Baptist College and is now a member of the Hot Springs Public School system. The bridegroom is attending Ouachita Baptist College, where he is a senior. Mr. and Mrs. McClung were hosts at their son's rehearsal dinner at the Sands for members of the wedding party.

Centerville 4-H Club Meets
The Centerville 4-H Club met in the Community Building, January 10, 1963. The meeting was called

Opportunities for TEACHERS

If you are a teacher, or a liberal arts graduate who can teach, there is a worthwhile and memorable experience waiting for you in the Peace Corps. Countries in Latin America, Asia and Africa need teachers in primary, secondary and advanced schools to teach math, science, English, physical education and many other subjects. For full information, write today.

Thinks Reds Will Flourish in Cuba

By WILLIAM L. RYAN

BERLIN (AP)—East German Communist leader Walter Ulbricht told world Communist chieftains today that communism will continue to flourish in Cuba and intends to extend itself in the Western Hemisphere.

With Soviet Premier Khrushchev listening from the platform, the spade-bearded East German denounced Red China's attacks on the Soviet leader's policies. He credited him with saving the world from nuclear war by compromising the Cuban crisis with President Kennedy.

In his opening address to East Germany's sixth Communist party congress, Ulbricht also proposed a vague solution for the problem of divided Berlin. He said the United Nations flag should replace the "NATO flag" in West Berlin but that any such arrangement must recognize East German "sovereignty, especially on the access routes on the land, water and in the air."

Ulbricht also called on Peking and India to settle their border dispute at once. He criticized the Chinese Reds for launching their border operation against India in October without consulting other Communist states.

Khrushchev's handling of the Cuban crisis, Ulbricht said, "prevented the world from experiencing the horrors of nuclear war." Khrushchev nodded agreement.

Ulbricht said Khrushchev kept communism alive in Cuba and gave it an opportunity to spread in the Western Hemisphere.

"There was a compromise," he told the party congress. "President

to order by Carol Wayne Beck, acting president. The devotion was given by Linda Langston and a prayer by Miss Marlene Faught. The group sang the song, "Battle Hymn of the Republic," led by Nancy Langston. A special song, "Make Love to Me," was sung by Carolyn Beck, Barbara Piercey, Nancy Langston, and Linda Langston. The pledges were given by Jimmy Langston. The secretary, Carolyn Beck, read the minutes of the last meeting. A report of the Christmas Party was given by Linda Ray. The 4-H laws and constitution was adopted by the Club. Carolyn Beck gave a demonstration of how to make a flower vase. Refreshments were served to twelve members and three leaders.

Case-Young Plans Complete

Miss Caryl Joy Case and Terry Young have completed plans for their wedding to be solemnized at 4:30 in the afternoon on January 20 in the First Methodist Church. Reverend Rufus Sorrells will officiate. Mr. Luther Hoffman, organist will accompany the soloist Miss Janice Mainer.

The bride will be escorted to the altar by Mr. Raymond Bright of Conway and given in marriage by her mother, Mrs. Jimmy Lloyd of Lubbock, Texas, sister of the bride-elect, who is matron of honor. Miss Suzanne Sommerville will be maid-of-honor. Bridesmaids will be Miss Sherry Hankins, Miss Sue Ann Smith, and Miss Patsy Burroughs and Mrs. Curtis Blankenship of Warren.

Best man will be Peter O'Conner of El Dorado. Ushers will be Herbert Ray Martin and Johnny Gaston of El Dorado, Dee Webb of Mineral Springs, Don Puckett, Pine Bluff and Curtis Blankenship, Warren.

Flower girl will be Sue Warren from El Dorado.

After the ceremony a reception will be held in the home of the bride.

Coming and Going

Mrs. M. I. Dillard has returned to her home in Kansas City after visiting here with her parents, Mr. and Mrs. H. W. Hatcher.

Kennedy had to abandon his idea of aggression.

"Cuba was freed of the threat of aggression and is now able to build up its country on the basis of socialism."

Khrushchev, seated nearby smiled approval.

The Soviet leader, whose major policy speech is not expected until Wednesday, declared when he arrived in Berlin Monday that he was not prepared to fight a war to bring about the victory of international communism.

"The burial of capitalism will be brought about by the working class in each country," Khrushchev said, adding that he would still be alive to "shout hurrah when capitalism is buried."

Ulbricht mentioned the Chinese Reds by name only when he came to the Chinese-Indian border war. Otherwise he attacked them either through the Albanians or as sectarians, a fiction which all the delegates attending the congress understood.

"We throw back all attacks of the dogmatists and sectarians on the Soviet Communist party and Khrushchev personally," he declared, referring to the Chinese-Albanian charge that Khrushchev and his supporters are pursuing the wrong course to defeat capitalism.

Germans Make a Film in Little Rock

LITTLE ROCK (AP)—Little Rock "five years later," a story on the city's integration crisis, was being filmed by a West German television network crew in Little Rock Monday.

DOROTHY DIX

Should She Believe Him?

By HELEN WORDEN ERSKINE

Dear Helen: How much can a wife trust her husband? Last April I married a boy with whom I had been going a year and a half. He is now in the Service and we've not seen one another for more than two months.

In the beginning I longed so to be with him but he said he couldn't find an apartment. In a fit of anger I sued for divorce. This made him mad. He took another girl out then wrote me about it.

Now he's been transferred to Germany and wants me to join him. I can't go till I save passage money. Do you believe I can trust him till then or do you think

he'll two-time me again? I love him deeply and feel that he loves me, else he wouldn't have told me what he did and promised never to make another mistake like that again. If I do join him in Germany he will have to remain overseas 36 months. If the wife stays in the States the period of service is cut to 24. I'm in a quandary. —Mixed-up Bride

Dear Bride: Have faith. Air-mail your husband that you will come gladly. The very thought will give him the moral strength to remain true to you. Don't hold that first slip against him.

His contrition is a good sign. Don't sell him short this time. Start planning now for the trip. If you haven't a job, send for my leaflet, "Travel and Work." You might find work in Germany. You will be stepping into a new and fascinating world.

Your husband must really love you for he will have to find an apartment and foot the bills. As of now, the government allows the wives of new army privates nothing for rent or traveling expenses.

Dear Helen: We are two 13-year-old girls who double-date two 16-year-old boys and are looking forward to a big school dance next month. The boys are nice, decent kids who respect us. We have dated them since we were

12. Now, all of a sudden, our mothers insist upon accompanying us to the dance. None of the other parents are going. We can't see why ours have to mess things up. What can we do? —Desperate

Dear Desperate: Knowing neither you nor the boys I shan't pass judgment but in principle your mothers are right. No young girl of 13 — actually little more than a child — should go unchaperoned to a dance with a boy.

Dear Helen: Don't let those 13-year-old know-it-alls talk you out of your views on the wearing of lipstick. I'm in junior high and though many of my friends wear lipstick, I don't. My mother doesn't want me to and I don't care.

A very light pink shade doesn't seem too awful to me but a seventh grader who wears eye makeup and high heels looks cheap.

If the parents really cared for their daughters, they wouldn't let them smear make-up all over their faces. For my money, they look like two-cents. —Another "Old-Fashioned Girl."

Send your problem to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper. Helpful leaflets available. Write for "Teen-age Code."

The Billy Pinegar Family

Sentence Is Affirmed by High Court

LITTLE ROCK (AP) — An 18-year prison sentence given Arnold E. Edens, former Paragould financier, for embezzlement was affirmed today by the Arkansas Supreme Court.

Edens was convicted in Poinsett Circuit Court last March 14 of embezzling \$10,000 which one Dr. T. B. Harper gave him as part of a land transaction.

The case was one of several criminal prosecutions in which Edens has been involved in the past two years.

The Supreme Court rejected 35 allegations of error.

Last Oct. 10, he was sentenced to 18 years in prison in U. S. District Court at Jonesboro after being convicted on 10 counts of mail fraud and violation of the Securities Exchange Act.

On May 26, 1961, he was sentenced in Greene Circuit Court to 17 years in the state prison for obtaining money under false pretense and overdraw.

The overdraw conviction was overturned by the Supreme Court, and six years of the sentence was nullified.

The Supreme Court also affirmed: A Boone Circuit Court decision awarding John Dietz \$5,000 for salary due him while he was employed by Diamond Acres, Inc., owned by his brother, Henry Dietz.

John Dietz testified he worked as general manager for Diamond Acres, which was involved in selling residential property near Bull Shoals Lake.

A Lafayette Chancery Court ruling that Odell Clay and George Gaston were the owners of some property formed on the Miller-Lafayette county line by a change in the channel of the Red River.

Cap Black had sued Clay and Gaston, contending he was legal owner of the property.

Club News

The Cotillion Social Club met January 10, 1963 in the home of Mrs. Evelyn Williamson in Washington, Arkansas.

The house was decorated throughout with beautiful flowers. The table was laid with a pink linen cloth and a center piece of white and pink roses. A delicious repast was enjoyed by the members. Secret pals were drawn for 1963. Miss E. L. Ford, President; Mrs. C. Williamson, Reporter.

Calendar Of Events

The senior choir of Bethel A.M.E. Church will meet for rehearsal tonight at 7 o'clock at the home of Mrs. Joan Hawkins. All members are urged to be present.

Small School District May Suffer

LITTLE ROCK (AP) — Three bills to take away an advantage now enjoyed by small school districts in the distribution of state education aid funds were ready for introduction in the House later today by Pulaski County Rep. J. H. Cottrell Jr.

Cottrell delivered his bills to the calendar clerk two hours before the House was scheduled to meet in opening session at noon.

Introduction of bills to equalize distribution of state funds for education was predicted in advance of the session.

Under current distribution formulas, some small and poor districts receive up to 2½ times as much state aid per pupil as large, rich districts.

Under Cottrell's bills, each district in the state would get the same amount of aid per pupil.

"This will eliminate the encouragement for small districts to stay small," Cottrell said.

One of the bills would take care of the financial problems of rapidly expanding districts by stipulating that any district which has had an insurance of three per cent or more in average daily attendance for three years will have its status computed on a basis of average daily attendance during the current year.

Under present distribution, the aid is not paid until a year late. Cottrell said this provision would help districts in growing cities and suburban areas.

If Cottrell's bills are passed, they probably would contribute to

Arkansas 4-H'ers Gain Memorable Week

Arkansas 4-H'ers agree upon, it's that you should never underestimate the power of excellence.

They didn't and the six Arkansas 4-H'ers earned memorable week-long trips to the 1962 National 4-H Club Congress in Chicago from which they have returned. They were among 1,500 4-H youths chosen by the Cooperative Extension Service to attend this year's national meeting.

The six youths who won state honors, their projects and donors are: Lyndall Kauffman, 19, of Stuttgart, clothing, Coats & Clark Inc.

Patsy Bradford, 18, of Nashville, bread demonstration, Standard Brands Incorporated.

Harold Avery, 17, of Delight, agricultural, International Harvester Co.

Victor Gray, 17, of Des Arc, entomology, Hercules Powder Company.

Lloyd Walker, 18, of Fort Smith, gardening, Farm Equipment Division of Allis-Chalmers

Manufacturing Company. J. C. St. John Jr., 19, of Redfield, tractor, American Oil Foundation.

In Chicago the Arkansas 4-H'ers met other club members from every state and Puerto Rico. More than 200 college scholarship were granted to 4-H winners of national awards this year. They exceeded \$105,000 in value.

Well over 2,000 4-H Club members, extension workers and business officials attended this year's congress in Chicago.

Mediators in Dock Strike Meet

NEW YORK (AP)—Federal mediators resume efforts today to settle the 24-day-old dock strike on the Atlantic and Gulf coasts.

There was no plan, however, for a joint meeting of representatives of the striking longshoremen and the industry.

James J. Reynolds, assistant secretary of labor, said: "I see no purpose in having one immediately. Their positions are unchanged and there has been no real progress."

The contract deadlock is between the AFL-CIO International Longshoremen's Association (ILA) and the New York Shipping Association, which represents 145 shipping and stevedoring companies. Contract terms reached between the two groups here traditionally set a pattern for settlements in other ports. Wages are a major issue.

Daughter to Serve

WASHINGTON (AP)—Rep. Wilbur D. Mills, D-Ark., announced Monday that his daughter, Rebecca, 21, a senior at the University of Arkansas, will stand in for him at a White House dinner next week in honor of Vice President Lyndon B. Johnson and House Speaker John W. McCormack, D-Mass. Mills said he is scheduled to speak at a Boy Scout dinner at Little Rock.

There are 22 takes in Jefferson County, all well suited for fishing, boating, duck shooting and swimming.

Woman Serves as a Line Officer

SAN FRANCISCO (AP) — Lt. Charlene Suneson, the first Wave to serve as a line officer in the history of the U.S. Navy, has completed her year's service aboard the transport General Man and been re-assigned to a job ashore, a Navy spokesman said Monday.

"Although Miss Suneson performed very well," the spokesman said, "there are no further plans to give sea duty to Wave officers."

Lt. Suneson's new post is at the Navy recruiting office, Columbus, Ohio.

The face of federal bankruptcy proceedings.

Prosecution witnesses have come from several parts of the nation to testify about their business dealings with various defendants, and with the Villa firm.

The government said it planned to call 100 witnesses, and when the trial recessed for the weekend Thursday, only 19 had taken the stand.

The defendants are Lawrence M. Blalock of Camden, Ark.; Max H. Blalock of Littleton, Colo.; Robert H. Close of Tempe, Ariz.; the Rev. Robert B. Young of Tulsa; Max T. Morgan of Phoenix; Kenneth C. Close of Bowling Green, Ohio; Mrs. Peggy Joyce Coats of Fordyce, Ark., and William Robert Grubbs of Camden. All have pleaded not guilty.

A ninth defendant named in the indictment, Harold William Sullivan of Beardon, Ark., is not being tried. No reason was given by the court.

Broyles Proud of His Sugar Bowl Team

HELENA, Ark. (AP)—Football Coach Frank Broyles of the University of Arkansas made it clear here Monday night that he felt no disgrace over losing to Mississippi in the Sugar Bowl last New Year's Day.

"You had to have a great football team to play on the field with them," Broyles told a gathering of 450 persons. "Ole Miss had a truly great team."

The Rebels went 9-0 in regular season play, the first unbeaten year in the school's history, and beat the Razorbacks 17-13 at New Orleans.

Broyles spoke at a banquet for the Helena Indians, a Region 2AAA team that had a 9-1 record last season.

The defeat at New Orleans roused the juniors and sophomores on the Arkansas team to rededicate themselves, Broyles said.

"It presented a challenge to them to have a better team next year," he said. "I'm presenting this same challenge to you boys at Helena Central."

Helena contributed Billy Gray, Dick and Ken Hatfield to Broyles' three-platoon system last season, and the red-haired coach beamed and said: "I wish you could send me more like these three."

The Helena Razorback Club presented Broyles with an \$800 scholarship to be used to provide financial support for a football player next season.

On the new free-substitution rule change by the National Collegiate Athletic Association Broyles said he did not believe platoon football, in its professional sense, would return to collegiate football.

"The changes look like a step away from platoon football instead of toward it," he said.

The rules change allows two men to be substituted on fourth down or when the ball changes hands, and free substitution at other times. The number of time outs were reduced from five to four in each half.

Clock Strikes on Cinderella Georgia Team

By ED CORRIGAN
Associated Press Sports Writer

The clock struck midnight for Cinderella and brought Georgia Tech back to reality today.

The Yellow Jackets, who finished a horrendous end with a 4-10 record last year in the Southeastern Conference race, rushed through their first 11 opponents this season. They got by three of them by one point, three more by two points and one by three points.

So in a way, the witching hour was almost sure to strike. It chimed Monday night in Starkville, Miss. Mississippi State, the defending co-champion, downed the Yellow Jackets, 31-69. That left only Cincinnati and Loyola of Chicago unbeaten among the major teams.

After a tight defensive battle in the first half, State broke the game wide open.

In other SEC games, Tom Baxley hit on a 20-foot jump shot with four seconds to go in overtime to enable Florida to upset Alabama, 69-67, and send the Crimson Tide down to their first league defeat, and Vanderbilt snapped an 11-game losing streak by downing Mississippi, 79-72.

Illinois, No. 3 in the country, barely got past Northwestern, 70-76. With just one second to go, Capt. Bob Starnes fired a desperation 60-footer. The buzzer sounded with the ball still in the air. But it plunked in and the Illini had won their fourth Big Ten game without a defeat.

Minnesota handed Michigan its second straight loss, 66-63. The Gophers' Terry Kunze, another of a talented group of sophomores who have emerged this year, hit on 14 of 15 field goal attempts to tie the Big Ten record. All-America Jerry Lucas of Ohio State set last year against Minnesota.

Iowa recorded its first league victory by stomping on Wisconsin, 65-56.

In the Big Eight, Colorado rolled merrily toward its second straight crown with a 70-53 decision over Kansas State, while Missouri polished off Kansas, 62-56.

In the Atlantic Coast Conference, Wake Forest pulled into a tie for the lead with Duke by an easy 52-42 victory over Virginia. Frank Christie had 21 points for the winners. North Carolina vanquished Maryland, 78-56, in the their league game for a 3-1 conference record.

When to Fish or Hunt Solunar Tables

By John Alden Knight

The schedule of Solunar periods as printed below, has been taken from John Alden Knight's Solunar Tables. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major periods are shown in bold face type. These begin at the time shown and last for an hour and a half or two hours there after. The minor periods, shown in regular type, are of somewhat shorter duration.

State Death Toll Is 20 for Week

By THE ASSOCIATED PRESS

Traffic accidents killed two persons over the weekend in Arkansas, fires resulted in two other deaths, one died in connection with the weather and one died when injured in an explosion. That put the state's violent death toll at 20 for the week ended midnight Sunday.

Billy Vickery, 16, of Cotton Plant, died at a hospital two hours after being injured in an explosion at a service station at Brinkley, where he was a part-time employee.

The operator of the station, Glenn Garrett, said the explosion occurred when Vickery was washing a filter in a bucket of gasoline and a small electric heater fell off a shelf and into the gasoline.

No one else was at the station at the time, Garrett said.

Denard Wattle, 28, a Negro of Pikesburg, was killed early Sunday when his car was struck by one driven by another Negro. Police identified the driver of the other car as Ernest Larkin, 50, of Dumas.

The accident occurred on U.S. Highway 65 about two miles south of Dumas.

Jeanette Scott, 20, of Warren, was fatally injured Saturday when a car in which she was riding collided with another car on state Highway 8 near Warren.

State police said Miss Scott was riding in a car driven by Sam Clark, 20, of Warren. Clark's car collided with one driven by Oscar Joe Howard, 18, also of Warren, police said.

The weather had a connection with two deaths.

At McGehee, Lawrence E. Jones, 35, operator of a service station at Pine Bluff, was found dead in his car of monoxide poisoning.

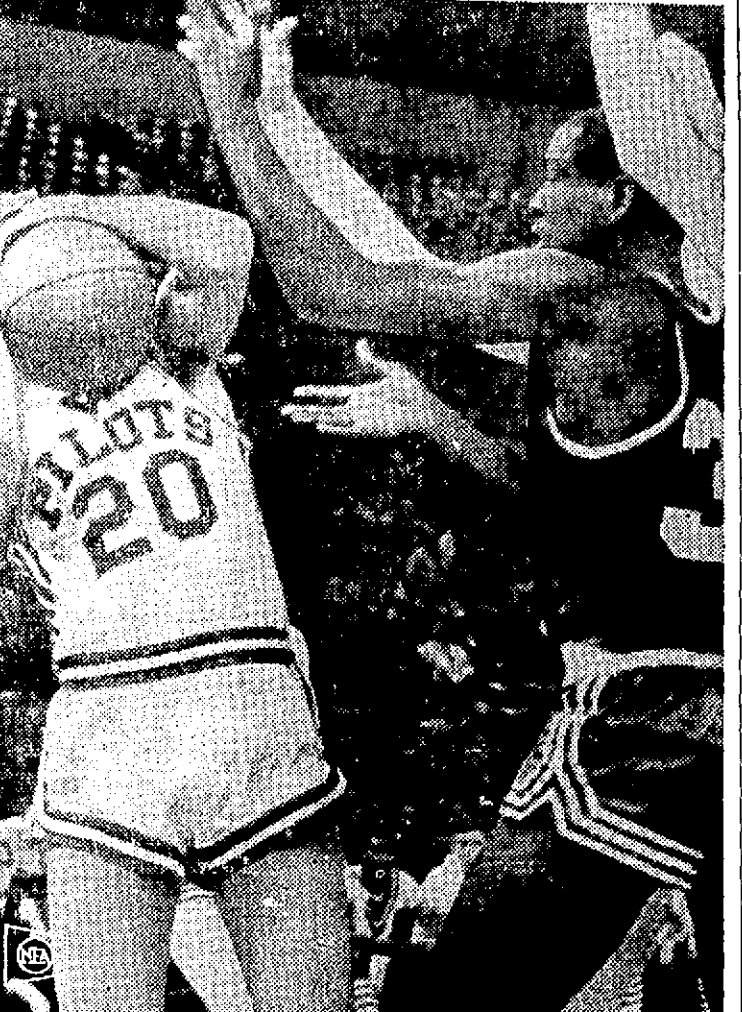

The car was found in the wash rack of Jones' station. Desha County Coroner Harold B. Dyer said cause of death was monoxide fumes.

Juan Butler, 17, of Paris, died Sunday in a Fort Smith hospital of burns. Police said her robe caught fire as she attempted to get warm before an open fire at her home in Paris.

The fire that burned through the International Paper Company's storage warehouse at Pine Bluff resulted in the death of one man, A. L. Crawford, 57, suffocated.

Another man, Hester L. Hunt, 41, of Jackson, Miss., was missing. Also during the week four other persons died in traffic accidents.

Two others died as a result of burns; one drowned; one was shot Sunday in a Fort Smith hospital of burns. Police said her robe caught fire as she attempted to get warm before an open fire at her home in Paris.

IT'S MY HEAD!—George Koch intends to keep his noggin and the basketball as the University of Portland defender catches a rebound out of the reach of Oregon's Jim Johnson and others in Portland. Possession is name of the game.

Fits Chicks With Rosy Glasses

SMITHVILLE, Ark. (AP) — According to Bill Wade of Smithville, humans aren't the only creatures who sometimes see the world through rose-colored glasses.

Wade says he has 5,000 chickens, all fitted with tiny rose-tinted glasses.

"They aren't trying to escape the reality of the world, though, he says. The glasses, for some reason, prevent chickens from pecking each other, Wade says.

And besides, egg production remains good when the birds are uninjured, he adds.

Voter Registration System Backed

FORT SMITH, Ark. (AP)—The Arkansas AFL-CIO is ready to support a voter registration system as a replacement for the poll tax, George H. Ellison Jr., chairman of the group's executive council, said here Saturday.

He said the group favored repeal of the poll tax, to be replaced by the registration system worked out by the Legislative Council at a recent meeting.

On other matters, Ellison said the AFL-CIO in the state favored an escalator clause in the present employment security law to make the law "correspond with economic changes and the standard of living."

The group also will work for the restoration of a law which was repealed by the 1959 legislature, he said. The law would give workers strike benefits if forced to strike in order to get an employer to comply with state or federal statutes.

Calls Gambling Cancer of Spa

HOT SPRINGS, Ark. (AP) — Business and professional people in Hot Springs are supporting illegal gambling in Hot Springs, a Methodist minister said here Sunday, and helping keep alive "the cancer of Garland County."

Dr. William E. Brown of Little Rock, executive director of the Christian Civic Foundation, said gambling would not flourish in this resort city without the "tacit support and protection" of the business community.

On behalf of your children and yourselves, remove this cancer from your county," Brown urged a congregation at the Grand Avenue Methodist Church here.

The church's pastor is Rev. Joe Phillips, who recently introduced anti-gambling resolutions which were adopted by ministerial groups at Hot Springs and Arkadelphia.

"God save us from a Las Vegas in the heart of Arkansas," Brown said. "A wave of gambling is sweeping across America with all the fury of a prairie fire and in an infinite number of manifestations."

He berated various forms of gambling in his sermon.

The first newspaper published west of the Mississippi River was published in Arkansas.

No Change in Cage Standings

By THE ASSOCIATED PRESS

Cincinnati's mighty Bearcats remain unchanged as the premier club in college basketball.

The two-time national champions, who have topped the Associated Press poll every week since the season opened, kept their stranglehold on the No. 1 ranking with another unanimous sweep of all 45 members of the national panel of sports writers and broadcasters.

Loyola of Chicago's high-scoring Ramblers, with their sparkling 15-0 record, maintained their solid No. 2 rating. Otherwise, there were minor changes.

Illinois moved up two places to third after Big Ten victories over Ohio State and Purdue, Arizona State University dropped one spot to fourth, Duke climbed a notch to fifth and Ohio State slipped from fourth to sixth.

The top ten, based on 10 points for a first place vote, 9 for a second, and records through Monday's games:

1. Cincinnati 450
2. Chicago Loyola 383
3. Illinois 325
4. Arizona State 311
5. Duke 154
6. Ohio State 144
7. Georgia Tech 141
8. Wichita 107
9. West Virginia 78
10. Stanford 56

Will Support Cut in Taxes

WASHINGTON (AP) — Rep. Oren Harris, D-Ark., chairman of the House Interstate and Foreign Commerce Committee, said today that speaking generally he would be inclined to support a tax cut bill this year.

Harris said that since the war ended 17 years ago the federal government has had a yearly increase in its income but that each year it has spent this increased income and more.

"It seems to me that it is about time to break out of this vicious circle," he said. "If we can't do it now, when will we do it?"

Harris added his belief that a tax cut should be accompanied by efforts to reduce governmental spending.

"I don't know that we can have a tax cut and a \$99 billion budget," he said.

Harris said whether he would support any particular tax cut bill would depend on what provisions it might contain.

For instance, he said, he could not support a cut in the oil and gas depletion allowance of 27 1/2 per cent.

He said he also wants to protect depletion allowance for Arkansas' natural resources, such as forests and bauxite.

12,000 Participate

BENTON, Ark. (AP) — Rev. J. W. Royal of Benton, co-ordinator of Saline County's Sabin Oral polio vaccine program, said about 12,000 persons took Type I at clinics Sunday.

Guernsey Girls Win Over S. H.

At the Saratoga Invitational tournament last night the Guernsey Senior girls downed Spring Hill 43 to 32. Adams tossed in 20 for Guernsey and Black made 17. For Spring Hill Kidd made 12 and Harvel 11.

Chicago in Big Trading Gamble

By JOE MOOSHL
Associated Press Sports Writer

CHICAGO (AP)—Gambling boldly by the Chicago White Sox traded two established stars to Baltimore Monday in an effort to end a third base problem which has been haunting them for years.

The White Sox shipped Luis Aparicio, one of the game's great fielding shortstops, and outfielder Al Smith to Baltimore for shortstop Ron Hansen, relief pitcher Hoyt Wilhelm, outfielder Dave Nicholson and third baseman Pete Ward.

Ward was the key man in the deal as far as the White Sox were concerned. Hours before the trade was completed the Orioles tried to retain Ward but were told "no deal, no deal."

Ward is 23. He batted .328 with Rochester last season with 22 home runs. He scored 14 runs and stole 17 bases in 19 attempts. He played the outfield last year simply because the Orioles have no problems at third base, a post well guarded by Brooks Robinson.

Wilhelm, a knuckleballer who will be 40 this summer, has been one of baseball's top relief pitchers for years.

Nicholson, 23, commanded a bonus of \$115,000 five years ago. He has good speed, a fine arm and tremendous power. But he has not been able to hit. He batted .175 last season.

Hansen, 24, was a rookie slumping in 1960 when he made the American League's All-Star squad. He hit 22 home runs, knocked in 86 runs and batted .255. Last year he batted .173. The Sox ignored his records of 1962 because he played part time while serving in the Army.

Aparicio, although slumping to 241 last season, is .29 and far from through. He still rates as one of the game's top defensive shortstops.

Several years ago Paul Richards, the Houston general manager who was then managing the Orioles, was praising the fielding ability of rookie third baseman Brooks Robinson.

"I'll tell you how good he is," said Richards. "If I had Robinson at third and Aparicio at shortstop, I'd wager it would be next to impossible to get a ball past them."

The big deal has given the Orioles what could be the best defensive left side of an infield in baseball today. They also picked up a consistent performer in Smith, 34, who batted .292 with 16 home runs and 82 runs batted in.

Religious services were conducted in Arkansas as early as 1673, by Roman Catholic priests.

Bobcats Meet Prescott Here Tonight at 7

By CARTER HARDAGE

Tonight at Jones Field House, Hope's Junior and Senior Boys take on Prescott.

Although this is the first match with Prescott for the Juniors, the Senior Boys met in their first game of the season, which they took by a narrow margin.

The Curly Wolves depend heavily on their 6'4" center, Heley, and also on Jones, who averages close to twenty points per game. Prescott is fired up for some revenge, so this should be a good one. Fans are urged to turn out for the first game at 7 o'clock.

Must Pay for Killing Dog

DECATUR, Ga. (AP)—Donald H. King has been ordered to pay \$1,350 damages for killing his neighbor's basset hound.

The neighbor, Fred E. Shroyer, testified in a court trial Monday that King lured the dog into his yard last Easter by tying a piece of meat to a string and placing it through a hole in a fence separating their yards. Then, Shroyer said, King shot the dog.

Thinks Invasion Only Solution

HOT SPRINGS, Ark. (AP) — Invasion of Cuba is the only solution to the Cuban problem, a Cuban refugee told the Arkansas Press Association at its mid-winter conference here Saturday.

Augusto Villalon, who was a classmate of Cuban Premier Fidel Castro at Havana University, told some 200 APA delegates that "all is lost" if Castro teaches the Communist doctrine to the new generation of Cubans.

The convention ended Saturday. Villalon said even if Castro should be killed, the communist menace would remain.

"The communist system in use in Cuba will not be disposed of except by the use of force," Villalon said.

He left Cuba in 1958 after Castro began nationalizing American industry on the island.

Half Day Classes in Benton School

BENTON, Ark. (AP)—Some 550 students are expected to begin half-day classes here today, after fires Saturday night destroyed two portions of the Benton Junior High School.

Suplt. of Schools Howard Perrin said the classes would be conducted at a nearby elementary school until further arrangements could be made.

He said there was a possibility that classrooms would be set up in educational buildings of nearby churches.

About 20 classrooms, a library, an auditorium and a cafeteria were damaged by fire, smoke or water. A gymnasium and school records were saved.

If Wide-Track is as hot as Pontiac says, why don't they put it in their Tempest?

They just did.

We can take a hint. When people are as happy with something as Pontiac owners are with Wide-Track, we're willing—nay, eager—to let everybody else in on it. That's why Tempest has a Wide-Track of its own this year. It's why you get to choose between a lively 4 and a 326-cu. in. V-8, too. We aim to please—and if we do say so, we're pretty accurate. *Optional at extra cost.

Now there are two kinds of Wide-Track cars... Pontiac and Tempest

— SEE YOUR AUTHORIZED PONTIAC DEALER FOR A WIDE CHOICE OF WIDE-TRACKS AND GOOD USED CARS, TOO —

TEMPLE MOTOR COMPANY
